Mrs Monica Clegg  
Secretary  
Busbridge Duplicate Bridge Club

Dear Monica

I should like to put forward the following motion to be included in the 2007 AGM of the Club

**That players are requested to arrive at the Club not later than 7.20 pm, unless they have confirmed with the Director, or another Member playing that evening, that they are definitely attending the Club. It is very unfair to the Director when players arrive at the last minute often resulting in a change to the movement. It is also unfair that some players complain to the Director when the movement has to be changed, usually as a result of late arrivals. Members arriving after 7.20 pm, who have not confirmed their attendance in advance, should not be allowed to play.**

This is accepted practice in many Clubs.

Yours sincerely
